OBJECTIVE:

To gain experience in surveying, mapping, and engineering, resulting in licensure as a Professional Surveyor and Professional Engineer.

EDUCATION:

Bachelor of Science Surveying Engineering, Ferris State University, Big Rapids, MI, (May, 2010).

Kellogg Community College, Battle Creek, MI, (Fall 2004 to Spring 2006).

Completed 57 credit hours toward a Business Management degree.

EMPLOYMENT:

Surveying Engineering Department, Ferris State University, Big Rapids, MI, 2008 to present. Responsible for the care and preparation of surveying equipment for surveying students and faculty to check out. Accountable for money transactions when students purchase class supplies.

Atwell-Hicks, Ann Arbor, MI, 2008. Established vertical control for several clients in South-Eastern Michigan. Executed land title surveys that met the standards of the American Land Title Association (ALTA) for many businesses in surrounding areas. Located areas for wind turbines and roadways in the state of Pennsylvania. Performed construction staking and grade staking for residences and site layout for large corporations such as Wal-Mart.

Donald Marlatt Surveying, Atlanta MI, 2007. Involved in the retracement of property lines and property corners. Completed boundary surveys where new property lines were created and new property corners were located.

Pinney Logging, East Jordan MI, 2005 and 2006. Gained experience setting forestry lines from the use of plat books and compasses. Operated chainsaws and other logging equipment.

QUALIFICATIONS AND RELATED EXPERIENCE:

- **Team Oriented:** Played sports all through high school and also played two years of baseball at Kellogg Community College. Can adapt and work well with small or large groups and teams.
- **Organizational Skills:** Able to play sports at the college level and maintain a cumulative grade point average of 3.79/4.00=A. First semester in the surveying program at Ferris made the Deans list with a grade point of 3.54.
- **Office Skills:** Familiar with Microsoft Word, Excel, and Access. Proficient at keyboarding.
- **Equipment Skills:** Have worked with robotic total stations, levels, theodolites, and GPS. Also have experience operating chainsaws and some heavy machinery.

MEMBERSHIPS:

- Student member of the Michigan Society of Professional Surveyors, (2007 to present).
- Member of Burt and Mullett chapter of American Congress on Surveying and Mapping (ACSM), (2008 to present).
- Member of Pi Lambda Phi Fraternity, where I was elected to sit on the judicial board, and athletic committee. (2007 to present).
